

CZAPKA ZIMOWA Z NASZYWKĄ

ref. CZZIM LOGO

Universal winter beanie made from soft, double-layer acrylic knit fabric, providing comfort and protection on colder days. A cotton patch on the front is designed for customization, making the beanie an excellent choice for corporate wear, promotional apparel and branded collections.

Key features:

- **Double-layer construction:** Two layers of knitted fabric provide enhanced warmth and comfort in colder weather.
- **Soft material:** Soft-Touch acrylic is pleasant to the touch and ensures comfortable everyday wear.
- **Ready for customization:** The 10.5 × 5.5 cm cotton patch provides a dedicated area for a logo, graphic or other branding.
- **Universal fit:** The stretchy knit fabric adapts comfortably to the shape of the head, while the unisex design makes it suitable for both women and men.
