Children’s Fleece Sweatshirt MOONTEX ICE

ref. MOO ICE KIDWH

A classic children’s sweatshirt made of thick, soft, high-weight fleece that ensures excellent thermal insulation. Thanks to the anti-pilling technology, the material maintains its smoothness and aesthetic appearance even after many washes. It is an ideal choice for cooler days – perfect both as an outer layer and as an additional insulating layer under a jacket. Thanks to its snow-white color and careful finishing, it is also perfect as a communion fleece.

Product features:

- Full-length zipper
- Side zip pockets
- Anti-pilling finish
- Elastic cuffs
