

MOONTEX ICE FLEECE

ref. MOONTEX ICE

MOONTEX ICE is a modern fleece jacket made of high-quality material featuring an anti-pilling finish on both sides. This solution minimizes the formation of pills on both the inner and outer surfaces of the fabric, ensuring that the fleece maintains its aesthetic appearance and performance properties for longer. It effectively protects against the cold and helps retain warmth. The fleece features a full-length zipper with a drawcord and stopper at the hem, a decorative puller, and practical zippered pockets.

MOONTEX ICE is an exceptional new product combining high quality, durability, and comfort of use. It is a pioneering solution in the fleece market, designed to provide even better protection against the cold while maintaining the excellent appearance of the fabric over a long period.
